## *Special Town Meeting.*

A warrant is out for a town meeting to be held, next Monday evening, at 7.30 o'clock. Besides that for choosing a moderator there are two articles. One is to see if the town will vote to authorize the Greenfield and Turners Falls street railway to act as a common carrier of small parcels of merchandise and baggage and also to carry the United States mail as authorized by chapter 335, an act af the general court of this year. The other article is to see if the town will elect three competent persons who shall constitute a board of park commissioners, and prescribe their term of office.
